

Ozone water generator KIRAclean

Standard connecting Kit
Water switch · Connection hose · Flexible tube

Main specifications

Product name: KIRA clean
Number : TT-08NKS
Dimension : 300W×150D×300H
Weigh : (approx)10kg
Power supply : AC100V 50/60Hz
Power consumption : 34.0/39.5W
(when ozone is generated)
Spitting ozone water amount : 8.5l /min
Feed pressure : 0.10MPa~0.35MPa
Ozone density : about 0.6~0.8ppm

Option

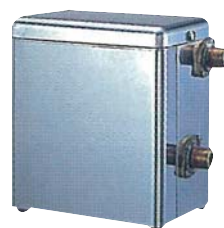

Easy control by hand
Washing handgun

Long and easy handling
Long Flexible tube

Make best use of space
Attachment kit for wall hanging

When more pressure is required
Pressure pump

Ozone water related products

Patented It can play a double role.
(High density oxygen water and ozone water)

TMO-05
JUN-KI-SUI (House hold use) Patented
Spitting ozone water amount:5L/min
Spitting high density-oxygen water density:5L/min
Ozon density:0.6ppm
Amount of generating ozone:0.7g/h
High density oxygen water density:20ppm
Dimension:300W×150D×300H
Device weight :8.5kg

Change tap water into ozone water
Ejector nozzle (patented)

TT-15MDS
L clean is brother product of the KIRAclean
Spitting ozone water amount:5.5~16.5L/min
Ozone density:0.8~1.2g/h
Amount of generating ozone:1.2g/h
Dimension:300W×200D×350H
Device weight (approx):8.5kg

Patented Rotary P.S.A
Density stabilizing function (Regulator function)
Remote control Ag and silverion function

TMO-25NA
NEW VEGA For factories use
Spitting out ozone water amount:5~25L/min
Ozone density:0.6~2.5g/h
Amount of generating ozone gas:3.0g/h
Ozone gas function
Dimension:550W×219D×882H
Device weight (approx):54kg(Full capacity60kg)

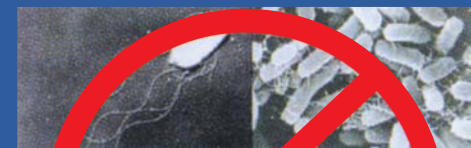

DoMo TOM-05F Digital ozone density monitor

Built-in self suction pump (patent pending)
and digital display allows anyone to
measure ozon density easily.

Main specifications
Measurement density range:0.00~4.99mg/L
Measurement precision: ± 1%FS
Dimension:200W×136D×185H
Weight:2.6kg

Bacillus coli O157 Salmonella

KIRA clean's ability of disinfecting

Staphylococcus aureus Vibrio parahaemolyticus

Water cooling (Patented)

Switching cock type (Patent pending)

Ozone water generator

KIRAclean

Approved product for an administrative innovation plan in the year 2007. No 1048-205

Downsized 'Ozone' offers clean
environment with the twinkle, 'KIRARI'
